Thank you for making your 2023 Summer Camping Reservation at our Family Friendly, Family Operated facility. Please VERIFY that the dates of your camping stay are accurate. Please let the office know immediately if you have upgraded your camping unit or increased the number of people camping with you. We welcome you to our beautiful campground, surrounded by the smells and sounds of country life and natural beauty. We now have Free Wi-Fi throughout the park so stay "connected" while enjoying our facility! What a GREAT reason to extend your stay! WiFi is limited use for email, weather, social media, etc. It is not designed for streaming and is not guaranteed. For insurance reasons, we do not allow overnight campers to bring in their personal golf cart, unless arrangements were made when making your reservation. A \$25 fee applies (electric carts only) and Proof of Insurance necessary.

Our campground is open between April 15 and October 9, and in full swing from Memorial Day to Labor Day Weekend. From incredible rental specials, toys, food, drink, sun and sand, creating family memories is easy and FUN with us! We anticipate your stay to be FUNtastic! As a courtesy to our camping families, please check into your reserved campsite or rental unit prior to 10pm when possible.

Merry Mac's Campground believes that Safety and Fun are the two most important priorities in our campground, therefore we ask that you observe all campground Rules and Signs posted throughout the campground. Please notify the office or general store of any situation that may require our attention. Lack of common sense will not be an excuse for not following safety precautions.

not following safety precautions

Reservations – Reservations are paid in full at time of reservation and are non-refundable.

Cancellation Policy - If cancelled 15 days or more prior to stay, you will receive a Camping Credit to be used within 1 year of date of issue minus \$15 per day of stay. If cancelled 14 days or less, NO refund or camping credit is given.

Campsite Definition – One family unit is allowed to camp per site (friends and/or additional family members must get additional site). Family consists of 2 adults and 3 unmarried children living at home under the age of 21 years (\$10 per day fee for any additional children). Maximum of 5 people per site. 1 pet per site. Each site has 1 picnic table, fire pit, water and 30 amps electric. (50amp service is provided on pull thru sites and site 2-7 & 85-93). We do not have direct sewerred campsites but provide 2 courtesy dump stations.

Quiet Hours - 11:00pm to 8:00am (enforced by security personnel). Quiet time means no radio; no loud conversation outside of unit or amplified sound at any time. A quiet gathering is acceptable as long as it is not disturbing to other guests. Security personnel conduct periodic patrols, day and night. Decisions of security personnel are absolutely final pertaining to noise, campfires and others. Security decisions may serve for grounds for confining one to their campsite until management so deems to release them or removed from the park without refund. Anyone under 18 years of age must be back at their campsite or with parent after 10:00pm. Music heard beyond your campsite is prohibited at all times. No loud speakers allowed at pool or pond.

Visitors – All visitors that are not paid campers must register with the office or general store. There is a \$12 per person per day charge to use our facility. Visitor hours are from 9:00am until 8:00pm daily. Visitors are not allowed to bring in their pet while visiting campground.

Swimming Pool & Pond (Swim at Your Own Risk) - Our pool is open daily from 9am until 8pm, Memorial Day-Labor Day. The Swimming Pond is open 8am to 8pm, Memorial Day - mid-September (weather pending). The depth of the pond is zero entry to 13'. ADULT SUPERVISION IS REQUIRED AT ALL TIMES AT THE POND AND POOL. There is NO DIVING, FLIPPING, HORSE PLAY, OR PHYSICAL CONTACT while on the Swim inflatables or in the pool. There is NO LIFEGUARD ON DUTY at either location. We have all different types of water toys so please be considerate of smaller campers. The inflatables will not sink, so big kids...please don't try to sink them. This will only damage the piece and discontinue the FUN for all. Thanks for your consideration! Please dispose of all glass beverages before entering pool or pond area. Appropriate swimwear must be worn including swim diapers, which can be purchased in the general store. The pond is not chlorinated but will appear to have a blue color to it/natural dye. It may however, have bugs, occasional turtle and frogs in it since it is a pond.

Campers/Children/Guests –All campers/guests will receive a colored wristband to wear so that we know you are a registered guest. Anyone without a wristband will be asked to leave or pay double the daily fee. Minors are not allowed to smoke/ drink alcohol in the common areas or around the campground. Be sure that all the guests in your group know where the store or office is in case of an emergency such as a lost camper; all campers should use this area as a meeting place. Be sure that all children know the number of their campsite in case of separation. Curfew for children is 10pm...please talk to your children about respecting the campground property. We reserve the right to restrict children to their site if their behavior is unacceptable. Registered camper shall be liable for damage to the site and the campground caused by them, their children, guests and/or invitees and shall pay for all repairs. Any person, whose conduct is offensive to other campers, or the management, will be required to leave. Management will determine "Offensive conduct" as each instance arises, and management's decision will be final. Local Law Enforcement will be called to deal with drunken and disorderly conduct. Firearms are prohibited at any time.

Campfires - Fires may be built in designated areas only. Be sure fires are extinguished before leaving campsite. The general store sells firewood, fire starter, marshmallows, roasting forks and more to enjoy the campfire FUN! Due to the increased spread of diseases to the trees, please do not bring in Firewood if you are outside of a 25-mile radius to Merrimac or from any quarantined area (Subject to change). There is a \$25 charge if fire pit is moved.

Garbage - All campers must place garbage in the dumpsters located at the entrance of the campground. Do not set beside road, as we do not pick it up from individual campsites. If garbage is left on site, a \$25 fee will be added to your stay.

Boats - Moon Valley on Lake Wisconsin (2 miles down the road) where you can launch your boat to fish and/or enjoy water activities.

Parking - Each campsite is allowed 1 car per site, with a \$5 fee for additional vehicles, not to exceed 2 per campsite. No vehicle should be on any part of the roadway. Each vehicle will receive a gate/parking pass and MUST be displayed in front window. Anyone allowing extra vehicles/guests in on their gate pass will be removed from the park immediately.

Pets - 1 Domestic Pet is allowed on a campsite (at no charge) and MUST be current with vaccinations. We have insurance restrictions on Rottweiler, German Shepherd and Pit Bull breeds. Make sure your Pet has FUN too! If your pet is not use to a leash or other humans, or likes to bark freely, you may want to find a sitter for them. The pet should be walked on a leash and must be picked up after and during their walk; kept on a leash during their stay and not a barker when they can't see you. Upon your departure, the site should be clean and ready for the next camper who may not have a pet. Your dog can use the Dog Swim Pond as long as they enjoy other dogs. This pond is also a Catch and Release Fishing Pond. We DO NOT allow Pets inside or outside any Rental Unit, in the pool, in the "human" swimming pond area, on any deck or patio, playground area or beach area. Daily guest may not bring in a pet.

Accommodations - Food available 7 days a week between Memorial Day Weekend and Labor Day Weekend. With the overnight campsite you get use of: Swim at Your Own Risk pool (3-5' deep) and pond with water inflatables (0 to 13'deep), game room, playground, dunk tank, carpetball, common area, Jumping Pillow, Spaceball and Miniature Golf Course. We have planned activities for the family on Tuesday and Wednesdays (mid-June to mid-August) as well as on weekends. Each site has water/electric, picnic table and fire pit. We have a coin operated laundry room, 2 bathhouses with coin operated showers, which are available 24 hours a day

Day Groups - If you are not camping, we do offer a Day Pass or Seasonal Day Pass for use of the facility. At times we may have an organized group(s) or local customers using our facility, however, our overnight campers are not excluded from any activities or common area while they are here. Smiles are contagious...just watch!!

Attractions - Hike at Devil's Lake or Parfray's Glen, Golf at Devil's Head or Lake Wisconsin, Boat on Lake Wisconsin, mega waterpark activities in Wisconsin Dells or try your luck at Ho Chuck Casino.

Camping is an Outdoor Experience. We do anticipate your stay to be dry with gorgeous weather. With that said, we apologize in advance if your stay with us was too hot, too wet, too windy, too cold or too dry. We do have creatures and critters in our campground, so please bring the necessary insect repellent, etc. We are rural and do not have a city sewer and water system, therefore we will try to keep our pump truck parked during the weekend as much as we can, however, sometimes it is not possible. We do not charge extra for sunshine or discount for rain!
